Kinloch Marina Annual Ramp Passes - 2024-2025 Season

New season passes are now available to purchase. Fees are the same as last season: \$330 for boats and \$165 for jet skis.

We must have your vehicle registration numbers recorded for camera recognition before the start of October. Please do not attempt to launch on the ramps without paying, or you will be ticketed.

A ramp pass is required for each vessel. If you are an annual ramp pass holder and own a boat and another small craft, such as a jet ski, you can purchase an additional pass for the second vessel for \$55.00. For example, if you own a 6m trailer boat and a jet ski, then the cost would be \$385.00 to have a pass for each vessel.

Payment can be made by visiting the Marina office (Cash or Eftpos only) or by direct credit to Bank A/C # 02-0100-0772139-000. If paying by direct credit, please include your name and vessel name with the payment and email the completed form to manager@kinlochmarina.co.nz. Your receipts will be available for collection when you visit the Marina Office next (they will not be posted out).

No annual pass stickers will be issued this year as the cameras handle identification.

The Marina Company sincerely appreciates your continued support by purchasing an annual ramp pass.

Kind Regards
John & Thomas
